MANY THANKS TO THE EDGERTON UNITED CHURCH for providing extra school supplies for our students. Your generosity is appreciated!

BUS LANE AT THE END OF THE SCHOOL DAY – Please know that bus lane safety protocols at the end of the day are still in place. We have implemented these standards to ensure the safety of everyone in the parking lot, during a busy, congested time. *We kindly ask you to abide by these rules and wait until all three buses have left the parking lot before leaving in your personal vehicle.* Furthermore, please do not walk

in between the buses if walking to the schoolyard to gather your children. There is a painted crosswalk, directly in front of the main doors (behind the very last bus), that staff, students, and parents are to be using, rather than walking in between buses. We all need to be ensuring that as adults, we are modeling parking lot safety to our children. Thank you again for your cooperation and attention regarding this matter!

JUNIOR GIRLS Practice days will be Tuesdays and Wednesdays from 3:30-5:00 until league games begin. Ms. Glaicar will be looking for an assistant to help run practices, so if there are any Grade 11 or 12 students (who have played volleyball before) that are interested in earning service hours or work experience, please send an email to Ms. Glaicar.

CROSS COUNTRY RUNNING practices will begin on Thursday, Sept 7th. Our practice day will be on Thursdays from 3:30-4:30 until the Running Riverdale Race on September 26th. Grade 3s are welcome to come run with us, but they are unable to compete at Riverdale until they are in Grade 4.

YEARBOOK NEWS: Welcome back everyone! Any students in Grades 7-12 that would like to help create our 2023-24 school yearbook, please let Mrs. Moran or Mrs. Seifried know if you are interested. We will let everyone know when our 2022-23 yearbooks arrive. If you haven't already ordered your copy, please do so as soon as possible because our quantity is limited. Order form is attached.

Yearbook will also be doing Subway and McDonald's lunches again this year, so if any parents or community members would be interested or available to be a volunteer pick-up driver, we sure would appreciate your help! Please let us know if you are available for the following dates for these lunches: Subway – Sept 19, Oct 17, Nov 21, Dec 12, Jan 6, Feb 13, Mar 12, Apr 16, May 14 and June 11. THE EDGERTON PUBLIC SCHOOL COUNCIL This past year we heard your concerns about the parking lot and changed the bussing location, hosted a BBQ on meet the teacher night, created Outstanding Eagle of the Month in the Edgerton Sandpaper, did a little yard clean up, hosted the Prairie Principal speaking event and organized swimming lessons for K-6. To aide in continuity from year to year we created a general email edgertonschoolcouncil@gmail.com and updated our Operating Procedures. **Our Annual AGM will be held on Tuesday, September 12th and we are looking for more volunteers for Council.** We typically meet once every other month for approximately 1 hour. We also want to thank all of our parent volunteers and encourage all parents to consider joining the School Council or the Edgerton Public School Foundation. The Foundation has hosted many hot lunches, did a school attire fundraiser, ran concession for 4-H and Elementary Track and Field (to name a few) and continues to work as a fundraising unit to further support our children and school. Any amount of volunteer

WHAT is School Council?

School Councils are Bridges

School councils are the bridge to promote positive engagement in a school community.

The work of school council builds bridges in the school community, and becomes a bridge - connecting parents and community members to the school.

A school council is the gathering forum representing the collective parent voice in the school - ALL of the parents.

School councils are mandated in legislation to advise the principal and the school board on matters relating to the school. Their overarching purpose is to **support and enhance student learning**.

School councils can be a bridge for the school community to respect diversity, promote inclusion and safe and caring schools, through their activities and initiatives.

A quote that relates to school councils (*by lecturer Peter M. DeWitt*):
"Talking with families is important. You either build a bridge or a wall."

Core Activities

- Advises the principal and school board on education issues that pertain to the school.
- Establishes and reviews school council's goals, objectives, action plans and procedures.
- Communicates and consults with parents and the school community.
- Meets regularly.

Established school councils:

- focus on what is best for all students in the school
- consider the interests of all school stakeholders
- maintain and reflect the culture of the school
- represent the parent voice in the school community

Hosts Needed for Ukrainian Evacuees

We are searching for host families for new Ukrainian arrivals in Canada! As a host your commitment is only to provide accommodation. However, we would also ask for your support in transportation to access services if possible. The rest is a responsibility of your tenant. Ukrainian arrivals have to provide food for themselves but will need access to a kitchen.

To sign up, go to www.ukralberta.ca and fill out the form "I want to Host Ukrainians". For more information, contact Carley at CHerbert@wainwright.ca, Brenda at cm@vdhf.ca or Frances at fhasch@ccisah.ca
