FOCUS GROUP INVITATION FROM ALBERTA EDUCATION:

On October 30, 2023, Alberta Education will host a focus group with the intention of seeking feedback from parents. The focus group will meet from 7:00 pm to 8:30 pm via Zoom.

Purpose: To collect insight from a parent perspective as we seek to update the old “[My Child’s Learning: A Parent Resource](#)” website into a brand new space that will be hosted on [new.LearnAlberta.ca](#).

ASCA has been asked to identify 10 – 12 parents from metro, urban and rural school divisions, representing children of varying grade ranges (K-12) to participate in this focus group.

Please go to the link below to complete the survey by Monday, October 23rd at 5:00 p.m. at which time we will select the broadest variety and diversity possible.

<https://forms.office.com/r/YZE9pcU1JZ>

Depending on the volume of responses we receive, we may not be able to include all parents. We will do our best to respond to all who complete/submit the survey, again depending on the volume we receive.

Thank you in advance for your support!

Are you a rural Alberta high school student (Grades 9 to 12) interested in a helping profession or working in a health career after high school?

Are you wondering:

1. What is the difference between the various nursing professions?
2. What could a pathway to becoming an LPN, RN, or NP could look like?
3. What is working in rural Alberta really like?
4. What you should be considering now as a high school student to support your post-secondary education and career journey aspirations?
5. What could a career as a rural nurse look like?

The **Rural Health Professions Action Plan (RhPAP)** is pleased to offer a virtual conversation about individual experiences, personal journeys, and important information about the journey to health careers that can see students like yourself in the field in as little as two years out of high school.

Let's Go Rural – How Do I Get There? - Nursing Careers

- Ask questions and engage in conversation with people working and living in rural Alberta

This free interactive Zoom session is available only to rural Alberta high school students (school must be located in a town with a population less than 15,000).
