**ALBERTA EDUCATION ASSURANCE SURVEY** Parents/Guardians of students in Grades 4-12 may have already received or will receive a survey package mailed by Alberta Education. Edgerton Public School encourages all parents/guardians to complete this survey as the data is used for informed decision making for the purpose of improving programs and student academic results in subsequent years. We are proud of our school and what we are able to offer but welcome input that can make it better. The Alberta Education Assurance Survey – Parent Guide & EPS Assurance Plan 2023-2024 were sent home in last weeks Eagle Eye, that share some of the many great things our school is doing for our students that may assist parents in completing the survey. Data is skewed when only a few parents/guardians fill out the survey, so please fill your survey out when you receive it. Thanks so much!
