HAVE YOUR SAY ON THE NEW DRAFT SOCIAL STUDIES CURRICULUM

Public feedback form

Alberta Education has been listening to valuable feedback from education partners and Albertans to develop a new draft social studies curriculum that reflects their priorities for student success. Today, my department released:

- [Draft K-12 Social Studies Subject Overview](#)
- [Draft K-6 Social Studies Curriculum](#)

Albertans can provide input on key learnings within the new draft K-12 social studies curriculum through a feedback form on [Alberta.ca](#). Albertans' feedback will be used to further refine the new 2024 draft K-6 social studies curriculum before its expected release in the spring to help school authorities and teachers prepare for optional classroom piloting during the 2024-25 school year.

I encourage you to share this feedback opportunity with your organizations so that everyone is able to visit [Alberta.ca](#) to view the new draft curriculum documents and complete the feedback form by **March 29, 2024**.
