**BRITE** in conjunction with the **Combines Senior Men's Hockey Team** from Provost hosted a **Hat Trick for Mental Health Hockey Game** on **January 17, 2024**. This partnership with the **Combines Senior Men's Hockey Team**

brought players and students together to raise awareness on the importance of Mental Health from an athletic perspective. **BRITE** would like to send out a very big “Thank you” to the Provost Combines, Jack McKinley, Rhonda Klein and Tanner Fleck. We know that there were others that stepped up such as, FRN, McMan, Sage Wellness, IMPACT and AHS along with the flag carriers, the game announcer and the parents. This event would not have been such a success without your support! We can't wait for next year!

**More pictures and player interviews coming soon. Follow **BRITE** on facebook and Instagram!**
