ALBERTA EDUCATION ASSURANCE SURVEY Edgerton Public School encourages all parents/guardians of students in Grades 4-12 to complete the survey that came home with one of your students last week. This data is used for informed decision making for the purpose of improving programs and student academic results in subsequent years. We are proud of our school and what we are able to offer but welcome input that can make it better. The Parent Guide is provided to assist you in completing the survey. **Data is skewed when only a few parents/guardians complete the survey, so please fill out your survey. Thanks so much!**
