THE EAGLE EYE

March 20, 2025

MANY THANKS TO THE EDGERTON ROYAL PURPLE! For giving funds for our elementary students to enjoy the Ag Society Pancake Breakfast on Tuesday!

PARENT TEACHER INTERVIEWS will be held on Thursday, March 27 from 4:00 – 8:00 pm. Please call the school office to schedule your 15 minute interview. Or email Deanna at deanna.waddell@btps.ca. Thank you!

CELEBRATION OF LEARNING Parent Teacher Interview Night is coming up on March 27th. Kindergarten to Grade 4 will be participating in a Celebration of Learning between 5-7pm. Families of K-4 are welcome to stop in during that time to view student work, check out bulletin boards, and have their students share with them skills they are working on. Teachers will reach out requesting a meeting as well if necessary but you do not need to book one. If you would like a meeting however, please reach out to your child's teacher.

DEADLINE IS MARCH 28TH! – PLEASE FILL OUT THE ALBERTA EDUCATION ASSURANCE SURVEY Edgerton Public School encourages all parents/guardians of students in Grades 4-12 to complete the survey that came home with one of your students several weeks ago. This data is used for informed decision making for the purpose of improving programs and student academic results in subsequent years. We are proud of our school and what we are able to offer but welcome input that can make it better. The Parent Guide is provided to assist you in completing the survey. **Data is skewed when only a few parents/guardians complete the survey, so please fill out your survey. Thanks so much!** Please know that we are only at 19% parent completion.

SCHOOL COUNCIL MEETING will be held on Thursday March 27th at 7:00 pm.
All are welcome to attend.

SCHOOL SWIMMING LESSONS Teine Energy has once again graciously sponsored swimming lessons for our elementary students. This year's lessons will be held at the Wainwright Communiplex pool. The students will be transported to & from the pool by bus. ALL costs are covered by Teine Energy. *Please note students will not receive evaluations at the conclusion of lessons.

The schedule is as follows:

Tuesdays: April 1, 8, 15, 29 - Kindergarten & Grade 5/6 lessons

Kindergarten- 1pm

Grade 5/6 - 2pm

Wednesdays: May 7, 14, 21, 28 - Grades 1-4 lessons

Grade 1&2 – 1pm

Grade 3&4 – 2pm

EDGERTON MINOR BALL REGISTRATION IS OPEN! We are offering teams for anyone born 2021 or earlier. Please see the attached poster for registration information. There will also be a ball skills camp offered on March 22, 2025 at the Edgerton School Gymnasium. This event is being conducted by Bulldog Baseball Academy, and will focus on hitting, fielding and throwing skill development. It is open to anyone age 7 and older in this calendar year. See attached information to register. Thank you to Chesterman Farms for sponsoring this event in our community!

BRITE's Fun Friday at Edgerton With Aubree!

Aubree and friends **at Edgerton** came together to use their ingenuity and collaboration as they worked together to create a scavenger hunt for students to find the emotion stickers that would match their core memory!

In the **movie Inside Out 2**, we learn that our core memories are special moments that help shape who we are. These memories are

connected to different emotions, like joy, sadness, or even anger. Just like in the movie, when we remember something important, it can bring out a strong feeling inside us. Sometimes, we might remember a happy day with a big smile, or a sad day with a tear. Our emotions help us understand and remember these moments, making them even more important to us.

Thank you Aubree and friends! You did a wonderful job and created lots of fun, memories and learning around our core memories!

Information About Measles

Parents, Guardians, School Staff and Volunteers

Measles cases are increasing globally, with numerous countries and travel destinations reporting outbreaks including the United States, Europe and Canada. So far in 2025, Canada has seen a significant increase in measles cases and a number of jurisdictions have reported measles outbreaks. Cases of measles have been reported in New Brunswick, Ontario, Quebec, British Columbia, Manitoba and most recently, Alberta.

There are no confirmed measles cases at your school at this time; however, it is important that parents are aware of the risk and are supported by Alberta Health Services (AHS) Public Health.

Measles Illness

Measles is very contagious and is easily spread through the air. Some people who get measles can have serious health problems. In rare cases, measles can lead to death.

Measles is a viral illness. Symptoms include fever, cough, runny nose, red eyes, and a blotchy rash. Symptoms usually start 8-12 days after exposure but can take as long as 21 days to appear.

Measles may cause complications including ear infections, pneumonia, seizures, or inflammation of the brain. Complications are more common among children under five years and people who are pregnant or immunocompromised.

A person with measles symptoms should stay home, avoid contact with others, and call Health Link at 811 before visiting any healthcare facility or any healthcare provider.

Protection against Measles

The best protection against measles is to get immunized. Measles vaccines are highly effective.

In order to be adequately protected against measles, individuals born in or after 1970 need two documented doses of measles-containing vaccine.

Date: 2025-Mar-18

Created by: Medical Officers of Health

Medical Officers
of Health

In Alberta, measles-containing vaccines are available free of charge for eligible individuals. The routine childhood immunization program includes two doses of measles containing vaccine.

For more information about measles-containing vaccines please go to ahs.ca/immunize or talk to your/your child's healthcare provider. Parents and guardians can check that their child has received two doses of measles vaccine by calling Health Link at 811 or by contacting their local public health or community health center [ahs.ca/info/page17791.aspx]. Individuals who are 14 years of age and older can check their immunization record at myhealth.alberta.ca/myhealthrecords.

Measles Case Response

If measles is confirmed at your school, Public Health will immediately begin working with the school to keep everyone safe and reduce the risk of measles spreading.

To reduce transmission of measles, provincial Public Health guidelines require those with infection and their contacts who are not immune to measles to stay at home and away from others until the risk of spreading the disease is over.

Further, we encourage you to keep children home when showing any signs of illness. **Two doses of measles vaccine given before a school measles exposure provides protection against measles and avoids possible exclusion.**

Next Steps

If your child is not immunized, or you are unsure about you or your child's immunization status, please call Health Link at 811.

You can also learn more from myhealthalberta.ca about measles, who is at risk, and how it spreads, including:

- immunization: myhealth.alberta.ca/topic/immunization/pages/measles.aspx
- frequently asked questions: myhealth.alberta.ca/topic/immunization/documents/measles-faq.pdf
- text "measles" to 88111 for information by text message.

Thank you for your support.

TOUGH ENOUGH TO TALK ABOUT IT

Tough Enough To Talk About It is a comprehensive mental health program created specifically for Trades, Industry, and Agriculture. Tough Enough recognizes the unique nature, risks and rewards of these demanding sectors and their impact on mental health and well-being.
