The Edgerton Students from Kindergarten to Grade 6 spent the week searching for all of the Leprechaun Teachers and EA's around the Elementary end. Each student had to figure out the Teachers' /EAs' Leprechaun names as well as answer the Leprechaun wellness questions to try to win a prize.

Congratulations to our winners; Isla, Annika, Walker, Nixon and Pearse!

The Kindergarten to Grade 6 also created their own Leprechaun and named them as well. There are still some left in the hallway if you have the chance, come see them during Parent/Teacher Interviews!

Kailynn's Story

A 10 second glance away from the road can change your life.....forever.

August 16, 2018 changed my life forever. My 16-year-old daughter Kailynn was involved in a train-vehicle collision near Weyburn, SK, Canada. Fighting for her life for 6 days, Kailynn died from severe head trauma on August 22. She had turned 17 just a day prior. The cause of Kailynn's accident was found to be driver inexperience and distracted driving.

Kailynn's Story is real, heartbreaking, and impactful. My goal in sharing this story is to educate others on how decisions they make when they get into the driver's seat can change their lives forever. Through photos, words, and song, I share my life as it is now, Kailynn's life as it was, and Kailynn's life that she missed out on.

Bio: Sandra is a road safety speaker, advocating for change in peoples choices regarding distracted driving. Sandra is founder and president of Sharing Kailynn's Sunshine Foundation, and a Rail Safety Ambassador with Operation Lifesaver Canada. Sandra has been involved with both SGI (Saskatchewan Government Insurance) and Operation Lifesaver sharing Kailynn's story on both safety platforms. Sandra works full time in Regina helping support students at an adult educational facility. Sandra is a mother of two and lives with her husband on their farm near Tyvan, SK.
